FLAKES

FLAKES

Made from high quality polyester base, they feature incredible sprakle and UV resistance. Available in intense colors that do not fade over time.

It is recommended to apply them with AG710 resin or any clear coat of the Custom Creative range. High solvent resistance.

Elaborados en base poliéster de alta calidad, presentan una increíble sprakle y resistencia a los rayos UV. Disponibles en colores intensos que no decoloran con el paso del tiempo.

Se recomienda aplicarlos con resina AG710 o cualquier barniz de la gama Custom Creative. Alta resistencia a los solventes.
